This 50th Reunion Booklet is dedicated to those of our classmates who took the beginning step with us and have now completed their journey of a thousand miles.

Compiled and published by Lee Kreider. Sandy Jones Scheele and Norman Schul. These three persons never met face to face during the publication process, but conducted all of their work over the Internet. In fifty years we have come a long way from the days of the *Bulldog Bark*, spirit duplicators, manual typewriters and study hall passes.

They express their appreciation to contributors too numerous to mention for documents, photos and suggestions.
